\*Note about verification codes: "VOF" in the verification code field indicates that the provider did not assign a course verification code but the AGD has a copy of the CE certificate on file. For self-study courses and exams, if the score is provided, it is reported as the verification code.

\*\*AGD will record CE for affiliate members; however affiliates may not accrue CE toward the AGD membership awards (FAGD, MAGD or LLSR).
